INTERNAL

Enter through the bright building entrance and head towards the high speed lifts which transport you to the second floor, where the entrance to this apartment leads you through to a welcoming entrance hallway providing access to all rooms and two large built in storage cupboards, one of which doubles as a utility area. The expansive open plan living space measures an impressive 19'00" x 19'10" and benefits from an abundance of light through floor to ceiling 'tilt and turn' glass doors which lead out to the balcony. This room seamlessly blends into the heart of the apartment, a sleek and stylish kitchen that comes well equipped with Paula Rosa cabinets and matching stone composite worksurfaces. Increasing both the aesthetic and practicality is an array of high end 'AEG' integrated appliances including an eye level double oven, hob, fridge-freezer and a dishwasher. The two double bedrooms are both graced by floor to ceiling windows, yet again flooding the room with light, and are fitted with glass fronted wardrobes, to aid the sleek surroundings that the development has to offer. A matching family shower room and en-suite bathroom are fitted with 'Roca' sanitary ware and alongside mirrored cabinets to add to the vast amount of storage.

EXTERNAL & COMMUNAL

Accessed from the living room of the apartment is the East facing Juliette balcony which measures 20' in length and offers views of the English Channel. One vehicle can be kept securely underground with one allocated parking space and a concierge service tends to the needs of the residents, both adding to the convenience and luxury of day to day living. A health club can be found on site for the exclusive use of Bayside residents and includes a heated swimming pool with ambient lighting and views of the English Channel, alongside a gym, sauna and steam room - the perfect way to relax in a picturesque coastal setting.
