## INTERNAL

Step inside this enchanting 19th-century cottage, a beautifully presented and deceptively spacious home that has been sympathetically refurbished to blend its period charm with stylish modern touches. As you enter from the front, you are greeted by a stunning contemporary kitchen/breakfast room, thoughtfully designed with classic shaker-style units, complemented by elegant worktops and an inset butler sink. There's space for a range-style cooker, and the kitchen is fully equipped with an integrated fridge and dishwasher. A central island provides additional storage, casual bar seating, and a perfect spot for relaxed morning coffees.

The kitchen flows effortlessly into a welcoming dining area, complete with a charming log burner – the ideal place for hosting family and friends. Continuing on, the spacious living room boasts a bright bay window and dual-aspect views, creating a wonderfully light and airy space. Beyond the living room lies the conservatory, where you can enjoy tranquil views over the beautifully maintained garden and open fields beyond – you might even catch a glimpse of grazing horses in the distance.

A generous utility/boot room is a fantastic addition, offering a range of fitted units, an integrated fridge/freezer, space for both a washing machine and tumble dryer, a second butler sink, and ample storage. A rear door leads conveniently to the garden. This floor is completed by a stylish and practical downstairs WC. Upstairs, you'll find three well-proportioned double bedrooms, along with a charming fourth bedroom, ideal as a nursery, study, or dressing room. Each room benefits from glorious views over the garden, surrounding fields, or rolling countryside, providing a sense of peace and seclusion. The luxurious family bathroom has been finished to a high standard, featuring a panelled bath, walk-in shower, WC, and wash hand basin.

Approached via a gated private driveway, the property enjoys a generous frontage with ample parking for several vehicles. The gardens to the front and rear are thoughtfully designed, featuring well-maintained lawns, and colourful planting that add to the idyllic feel of the home. To the rear, the garden opens up to uninterrupted views across open fields and rolling countryside – the perfect backdrop for outdoor entertaining, quiet reflection, or simply watching the sunset, while the sight of horses grazing in the nearby fields adds to the rural charm. The garden is fully enclosed, offering privacy and security, with plenty of space for children to play or keen gardeners to indulge their green fingers. One of the standout features of the exterior is a substantial wooden outbuilding, fully insulated and equipped with power, internet and lighting. Currently used as a gym, this versatile space could easily serve as a home office, studio, or hobby room, offering endless potential to suit your lifestyle. The structure also boasts a charming veranda — the perfect spot to sit back and soak in the uninterrupted views of open fields and rolling countryside.
