With meticulous attention to detail and premium finishes throughout, Mayfair stands as one of the most exquisitely finished homes currently on the market.

Jacobs Steel Signature Homes welcomes you to Mayfair, an outstanding family home located on the prestigious private road of Golden Avenue, within the highly sought-after West Kingston Sea Estate in East Preston. Set just moments from the beach, this beautifully appointed residence offers luxurious, turnkey living with design-led interiors and meticulous attention to detail throughout — easily one of the finest finished homes currently on the market.

Having recently undergone a comprehensive program of refurbishment and enlargement, Mayfair offers the rare opportunity to move straight in and enjoy an effortless coastal lifestyle. The interiors are bathed in natural light and finished in a contemporary coastal palette, blending style and function seamlessly. Every inch of this home has been thoughtfully designed with future-proof living in mind. Crafted using the highest quality materials, features include full aluminium glazing throughout, bespoke fitted cabinetry, and luxury fittings such as top-tier built-in appliances from Miele (all Generation 7000) and sanitary ware including Roca, Roper Rhodes & Zaneti Architect. Lighting throughout the property has also been thoughtfully designed.

Stepping inside, you're welcomed by a striking hallway featuring a Karndean herringbone parquet-style floor that continues throughout the main ground floor entertaining spaces, setting the tone for the refined interiors to come. The hallway also includes a bespoke framed staircase with storage beneath and views straight through to the garden via elegant black-framed Manhattan style glazed doors.

At the heart of the home lies the show stopping Hubble-designed kitchen diner showcasing Leicht cabinetry throughout. The space is flooded with natural light from oversized sliding doors and a large flat roof light. With a chic matte finish and clean lines, this kitchen has been expertly planned for both entertaining and everyday living. Miele appliances throughout include a full size combination steam oven and full size oven – both ovens are self cleaning. Full height fridge and freezer, vented induction hob, twin full size gourmet drawers, dishwasher and a Quooker boiling water tap. The vast central island incorporates generous storage and informal seating — the true hub of the home complimented with zone controlled lighting. Double-glazed doors open into a generous west-facing reception room, also accessible from the hallway. This adaptable space is perfect for entertaining on a grand scale or closing off for cosy evenings in — all benefitting from the continuous Karndean flooring, offering both elegance and practicality.

A stylish study with glazed doors leads to the integral garage which houses the boiler.

A ground-floor double bedroom, highly sought after for multi-generational or future-proof living, opens directly onto the garden via French doors and includes a beautifully appointed en-suite in a striking black and white palette.

A sleek cloakroom and fully equipped utility room complete with cabinetry, sink and Miele mounted cordless vacuum round out the ground floor amenities.

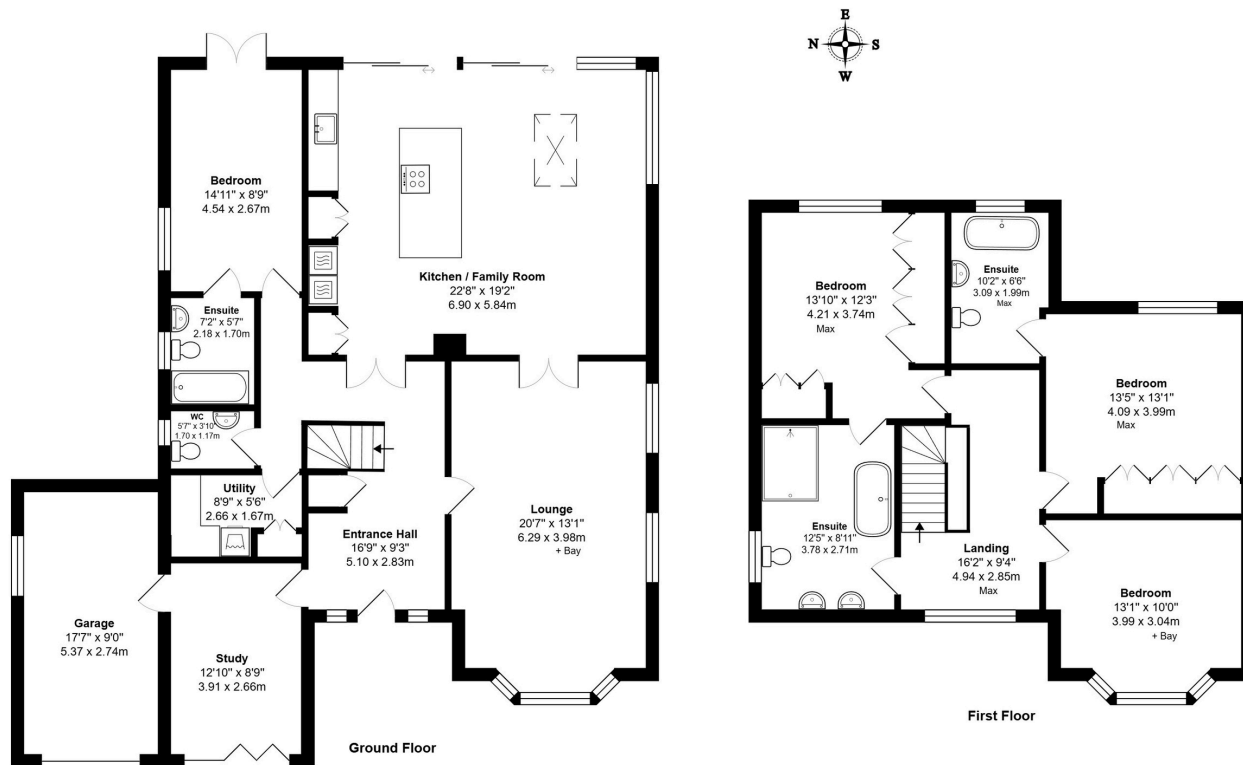

Upstairs, three generous double bedrooms radiate from a bright central landing enhanced by floor-to-ceiling glazing. A drop-down ladder provides access to a fully boarded loft space for additional storage.

The two principal bedrooms each boast custom-fitted wardrobes and private en-suites. The larger suite features a Jack-and-Jill layout accessible from the landing, with a luxurious walk-in shower, freestanding bathtub, WC, and double vanity basin. The third bedroom, also a spacious double, enjoys westerly views through a deep bay window.

Externally, Mayfair continues to impress. A large private driveway leads to an integrated garage with roller door and offers additional gated parking to the side. The rear garden is substantial, mainly laid to lawn, with a newly laid porcelain terrace directly adjoining the rear of the property — ideal for al fresco dining. A second, smaller terrace sits further down the garden, and beyond that, a gate provides access to a private residents' parkland. This unique feature offers direct access to open fields and leads down to the beach — a haven for dog owners and nature lovers alike.

Golden Avenue is perfectly positioned within the West Kingston private estate, just a short stroll from the greensward and beach. The charming village of East Preston is also nearby, offering independent shops, cafés, eateries, and a popular gastropub. For commuters, Angmering mainline station provides direct access to London in approximately 90 minutes, as well as excellent links to Brighton and Chichester.

Total Area: 2300 ft² ... 213.7 m² (Includes Garage)
