The double-glazed front door opens into a practical storm porch—an ideal spot to leave coats and kick off muddy boots on wet days. From here, you step into a warm and welcoming entrance hall that provides access to all main rooms. There's a large built-in storage cupboard and ample space to hang coats, keeping the hallway tidy and organised. At the front of the property are two generously proportioned, bay-fronted double bedrooms, measuring 14'2" x 10'11" and 15'7" x 10'9". Both rooms enjoy a sunny westerly aspect, allowing the afternoon light to pour in and create a bright, airy atmosphere. Each bedroom features built-in wardrobes, with one offering the added convenience of a walk-in shower and hand wash basin—ideal for guests or multi-generational living. To the rear of the bungalow, the kitchen is fitted with a range of wood-effect wall and base units, complemented by laminate worktops, offering both style and functionality. The recently installed boiler (fitted within the past 12 months) is also housed here for easy access and efficiency. Flowing directly off the kitchen is a spacious, east-facing conservatory that spans the full width of the property. This lovely room offers uninterrupted views over the rear garden, making it the perfect place to enjoy morning coffee or unwind with a book. Positioned opposite the kitchen, the living/dining room is a generous space measuring 15'11" x 12'11", benefiting from dual-aspect windows to the west and south, flooding the room with natural light throughout the day and offering a warm, welcoming environment for both relaxing and entertaining.

EXTERNAL

The front garden is attractively laid with shingle, offering a generous driveway that accommodates multiple vehicles and provides convenient access to the garage. A welcoming pathway leads to the front door, creating a charming first impression. To the rear, the east-facing garden has been lovingly matured over the years, resulting in a beautifully landscaped and wonderfully private outdoor haven. Thoughtfully designed to suit a variety of uses, the garden features a well-maintained lawn at the top, bordered by an array of established plants and trees that bring seasonal colour and character. A delightful patio area with a summer house provides the perfect spot for relaxing or entertaining. Towards the bottom of the garden, screened by a trellis for added seclusion, lies a paved area complete with two generous planters—ideal for growing vegetables or creating your own kitchen garden retreat.
